  - \* The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

## Hans Stigt – Gentle Labs

As a young boy my parents always had a mixed breed dog so I was very fortunate to grow up with dogs.... As a child I ran to every dog I saw in the street. I always loved dogs and still my heart starts beating faster when I see lovely dogs on the street, when I wander through the dog benches for example at Crufts or when I'm fortunate to go over them whilst I'm judging them.

We got our first Labrador Retriever in 2002. He was a lovely yellow and he gave us the Labrador 'virus'. It started all with him.... Dog training and showing. Soon he was in the company of a chocolate and a black Labrador. Our first 3 labradors were all stud dogs and we bred a few litters under our kennel name: Gentle Labs.

From 2004 I became interested in more dog breeds and started my courses to become a dog show judge. In 2012 I was assigned for my first breed, the Labrador Retriever. During this period I fell in love with the Sussex Spaniel and I was very fortunate to pass the exam also in 2012. Since then I try to be at Crufts at the Sussex ring to enjoy the dogs and learn as much as possible about the breed. I was very honoured to judge in 2015 at the United Spaniel Show the Sussex Spaniels and I have been judging them several times in The Netherlands and in Sweden.

I judge with my heart and respect is paramount in my judging. Respect for the breed, the dogs and the exhibitors. It is an honour every time that I am asked by a show organisation to judge and qualify another person's most precious possession. I enjoy every dog so much and I always try to show this.

I feel very privileged to be invited to judge the 95th anniversary SSA Open Show and I'm very much looking forward to see you and your lovely Sussex Spaniels.
