- 9 Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
- 10 The mating of bitches within the precincts of the Show is forbidden.
- 11 Where a Best Puppy in Show is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where Best in Show is a puppy it will also automatically be Best Puppy in Show respectively. Similarly if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow selection of Best in Show respectively. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy. **Withdrawal from competition** Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition other than Breed Classes prior to the competition for Best Puppy in Show in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. **Proviso** For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.

Best in Show must be selected from the exhibits declared best of sex providing they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition. **Withdrawal from other competition** Dogs which become eligible for Best in Show may be withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. **Proviso** For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be beaten dogs.
- 13 Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
- 14 No modification will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
- 15 All exhibitors must be familiar with Kennel Club Regulation F (Annex b) Regulations for the Preparation of Dogs for Exhibition.
- 16 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- 17 Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - \* When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - \* If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - \* The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - \* Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
